

# Amarnath Yatra

(04 Days / 03 Nights)

## Introduction

Amarnath cave is a Hindu shrine located in Jammu and Kashmir, India. The cave is situated at an altitude of 3,888 m (12,756 ft), about 141 km (88 mi) from Srinagar, the capital of Jammu and Kashmir and reached through Pahalgam town. The shrine forms an important part of Hinduism, and is considered to be one of the holiest shrines in Hinduism. The cave is surrounded by snowy mountains. The cave itself is covered with snow most of the year except for a short period of time in summer when it is open for pilgrims. Thousands of Hindu devotees make an annual pilgrimage to the Amarnath cave on challenging mountainous terrain to see an ice stalagmite formed inside the cave.

Amarnath Yatra is only open for a specific period during the year - that too only for 40 days. Dont you miss out on this divine trip and visit the very same place where Lord Shankar narrated the Amar Katha to Maa Parvati. At this special place one can still see the pigeons despite being surrounded by snow all over.
