Tour Schedule of Spain – The Land Of Thousand Of Wines

The Land of the Basques in the local language, is a fascinating destination which comprises in a relatively small piece of land, a great diversity of sceneries from the ocean, to the mountain range and from modern cities to countryside and vineyards. In the south part of the region, behind the Cantabrian beautiful Mountain Range, emerges La Rioja, a land bathed by the Ebro river and one of the worldwide best known winery areas. Probably the most famous denomination of origin for wines in Spain, is often called “The Land of a Thousand Wines”, as few wine regions are as diverse in their landscape as Rioja. The best time to come, is when Summer declines and grapes are in their best condition to be collected. The Harvest time is a unique experience of colour, smell and taste, what is celebrated with many different Wine Harvest Festivals.

In an age of peak global homogeneity, when distinct cultures are vanishing, there is something invigorating, disorientating even, about arriving in the Basque Country. Split between Spain and France, the Basque Country is perhaps the most over-achieving locale on the planet right now. Seven provinces, two countries, one people, three languages. A “nation without a state” — left off the map when they drew Europe’s national borders. With urban excitement, sunny beaches with some of the best surfing in the world, an idyllic climate, a beautiful mountain range, spectacular modern architecture, tasty pintxos (Basque take on tapas) and feisty, free-spirited people, this region is filled with cultural treats.
